Medication Management Service

“If you are finding it difficult to remember to take your medications or if you’re worried or confused by your daily medication routine you should consider this option....”*

- Our Blister Packing system is the clearest and easiest to follow on the market. We have had consistent positive feedback from patients, carers and GP’s.
- Takes all the stress and worry out of complicated medication regimens
- Reduces confusion, missed doses and double doses = better health outcome for the patient.
- Ideal for carers and family members looking after the elderly, infirmed or handicapped
- For each patient each month, we prepare four individual, tailor-made ‘7 day packs’. Each ‘7 day pack’ has a separate pill compartment for morning, midday, afternoon or night for each day of the week.
- ***No Extra charge for Medical Card Holders**
- Specific Requirements can be tailored for each patient by talking to our Vista Pharmacist.
